Food processing / Medical

Non corrosive

Additional information (optional):

--	--

End fittings:

If end fittings other than standard ball and socket fittings are required, please include a photo when you email this form.

Disclaimer : Please ensure all information in this form is correct. The supply of incorrect information may result in misunderstandings and unnecessary expenditure. If possible, please attach sketches / photographs of the exact installation. If the information supplied on this form is not accurate Struts-R-U's cannot be held responsible for any costs or damages incurred as a result.

* To find the weight of the lid, position one end of a pole in the centre and place the other end on a pair of scales. Please note: In order to obtain an accurate weight, the pole MUST be positioned in the centre of the lid. If you position the pole to one side the weight will not be accurate.
